This Certificate is Valid for 3 years & will remain current subject to the company maintaining its system to the required standards(s). This will be monitored regularly by Accredium Certifications. The certification details & effectiveness are listed at www.acascert.com. The registration does not assure the quality of products produced by a quality system. This certificate is granted based on the limited sampling audit as per relevant ISO standard & Accredium Certifications is not responsible for client's failure to maintain documented quality systems.

Authorised Signatory

Such Products, Process or Services shall be manufactured or offered at or from only the address (es) given below above. This Certificate is granted subject to the organization making such claims in the scope of products to which it is issued. The organization shall be responsible for the maintenance of the system to which the certification is issued. This Certificate is not transferable and remain the property of Accredium which shall be returned immediately on request. The DFWQAA & APQO has not analysed, certified, or issued any approval/endorsement/label for the products or the products, service, training and certification courses. The only relationship between ACCREDIUM and DFWQAA & APQO is our membership in the Institute. This certificate is a non-endorsement of the products, services, materials, or personnel directly or indirectly of the organization to whom it has been issued and DFWQAA & APQO does not certify the management systems, products, services, materials, or personnel directly or indirectly.
